

2010 ELKO SPEEDWAY TIRE RULES

All divisional tires subject to change at Official's discretion.
Model numbers may change at Hoosier's discretion.

For divisions not listed here, see individual class rules.

Power Stocks and Thunder Cars

Hoosier Model #790

Super Late Models

Hoosier Model #F40 – only left side

Hoosier Model #F50 – right or left

(One tire per night either compound)

Big 8 Sportsman

Hoosier Model #F75

(One tire per night)

Super Hornet/Mini Stock

D.O.T. tires only. Maximum tire size is 195 width, 60 series & 15" diameter. All 4 tires must be the same diameter, width and aspect ratio. No directional or performance tires. Tires must be available to the general public at normal retail outlets. (The 'internet' is considered a normal retail outlet.) Tires must be currently in production. No use of tire softener or altering of the tires in any way.

Maximum retail price per tire is \$70.00
