IMPORTANT AGREEMENT

This application must be accompanied by the required fee. If the applicant has not reached the age of 18 a Minors Release and Indemnity Agreement must be properly executed by the applicants’ parents or legal guardian. Elko Speedway (ES) reserves the right to refuse any application for membership. ES reserves the right to terminate any membership, at any time, with written notice to the member. Memberships are not transferable. No refunds. No Exchanges. Members may discontinue their memberships at any time by surrendering their membership card, accompanied by their letter of resignation, to the ES office. Acceptance of this application and fee by any ES Official does not constitute approval of this application. All approved applications will be confirmed by ES. I hereby apply for membership and authorize ES to represent my interests as they may appear in auto racing matters and consent the use of my name, pictures of myself and my car for publicity, advertising and endorsements both before and after the events, and relinquish any rights to photos taken in connection with events and consent to the publication or sale of such photos as ES so desires. By submitting this application and taking part in any liability relating to any event, I agree to abide by the decisions of the Officials relating to the event and agree that such decisions are final, non-appealable, and non-litigable, except as provided in the rule book. Such competitor further agrees that the racing area is in a safe, raceable and usable condition and that he/she voluntarily assumes the risk of and has no claim for damages, against ES, the promoter, or their directors, officials, sponsors, agents or employees by reason of damage either to the car, the driver and/or pit crew. I agree that myself, executors and assigns will be entitled only to the benefits, if any of the Competitor Accident Policy procured and in force by ES for accidental injuries which are the result of external, violent and visible means sustained in ES events. The foregoing shall constitute the limit of liability of ES for such injuries occurring to me in any event provided proper notifications is given. This shall not serve to limit or expand the insurance release waiver form or other contracts that may be signed at other times. In consideration of the acceptance by ES of this agreement, the undersigned recognizes his/her obligation to the public and ES, which post the prize money and conducts the event, and agrees to compete in all events when qualified, if humanly possible. I am an independent contractor assuming all responsibility for money received as a result of my activities including and without eliminating income tax, FICA, worker compensation and withholding taxes. I am not an employee, servant or agent for ES. In the event the undersigned breaches this agreement, he shall be liable for actual and liquidated damages sustained by ES as a direct or indirect result of such breach.

PUNCH CARD RAIN OUT POLICY

- A. If rain out occurs after the pit gates are open but before any feature racing events:
 - Rain out provision for all. Bring back your wristband and get in for free for the next similar scheduled event. (For example: if we it rains during the heat races and the program is deemed a rain out – everyone has the rainout provision.)
- B. If rain out occurs after any feature events have taken place:
 - Rain out policy is ONLY good for the drivers that the feature events HAVE NOT taken place. Must bring back wristband.
 - No crew member gets a rain out. (no way to tell who crews for what division and this has been abused in the past)
 - Feature events that have taken place – driver’s DO NOT get a rain out. (For example – if Power Stocks and Legends have completed their feature event, the Power Stock and Legend driver’s do not get back in for free the following race(s).)
 - Also per the rule book, if the event is over half complete then it is deemed a complete race event.
- C. If a rain out occurs on a double feature night and one set of feature events have taken place but not the second feature:
 - No Rain out policy – deem a complete race event
(For Example: if we are in our first late model feature and we have over half the first feature in and there is a rain out, there is no rainout policy for anyone – race is deemed complete)
(For Example: if we are in our first Big 8 feature, and Late Models and Thunder Cars haven’t raced their first feature yet, Late Model and Thunder Car Driver’s get the rain out provision – no other classes)
 - If purses are paid that class is not valid for the rainout provision
 - No rain out on second feature because only one pit fee is charged.
- D. If a rain out occurs on a double feature night and some single feature events have taken place:
 - See scenario B
- E. If rain out occurs on the last day of racing or use of punch cards:
 - No Rain out policy – have a great winter.

I HAVE READ AND FULLY UNDERSTAND THIS AGREEMENT AND I AGREE TO ABIDE BY ALL OF ITS TERMS. I ALSO ACKNOWLEDGE THAT I AM FAMILIAR WITH THE CURRENT RULES AND AGREE TO ABIDE BY THEM AS THEY MAY BE AMENDED FROM TIME TO TIME.
