

# Elko Speedway Kids Club

## Box Car Races

### **General Information:**

Please bring your child over to the meet area (Victory Lane) two races before intermission to ensure they have time to find their correct age group. Please have them in their box car before they go onto the track. Only racers and volunteers will be on the track during the box car races. The racers will stay on the track until all of the races have finished. Please meet your child back at the meet place (Victory Lane) after the box car races have concluded. There will be the opportunity for photos once back in Victory Lane. It is important that we keep the event to our 15-minute time slot, so your help and attention is appreciated!

### **Rules of Competition:**

- Box car races are open to all children ages 0-12 years old.
- All children will race in a box of their choosing. Children are encouraged to work with their parents in making and decorating their box cars. All levels of creativity are welcome.
- All participating children must be in their box cars and in the designated meet place before the start of the box car races.
- All participants must race in their box cars start to finish.
- Race length will vary by age group.
- Race will be started by the waving of the green flag and concluded by the waving of the checkered flag.
- While racing there is no bumping, pushing, shoving, tripping, etc. This will result in disqualification.
- Racers must stay in the designated coned area of the track.
- Winners will be based off finishing order. Prizes will be given to the top three finishers in each age division.
